REMARKS

The Notice of Non-Compliant Amendment indicated that the previous amendments to the specification, abstract, and claims failed to comply with 37 CFR 1.121. Corrected sections for the specification, abstract, and claims are contained herein. Re-consideration of the application as amended is respectfully requested.

For the reasons discussed in the prior response, it is believed that claims 1-28 are in condition for allowance. The Examiner is invited to telephone the undersigned attorney to address any outstanding matters concerning the present application.

Respectfully submitted
